Important characteristics of a pom routine include synchronization and visual effect, clean and precise motions, strong pom technique, and incorporate dance technical elements. Visual effect includes level changes, group work, formation changes, the use of different color poms, etc.

HIP HOP

Routines can incorporate street style movements with an emphasis on execution, style, creativity, body isolations and control, rhythm, uniformity and musical interpretation. Teams may also put an additional focus on athletic incorporations such as jumps, jump variations, combo jumps and other tricks.

OPEN

An Open category will be offered only when separate dance categories are not offered in an age division. A routine in this category may incorporate any one style or combination of styles.
